

TAVISTOCK GOLF CLUB – INFORMATION NOTE FOR MEMBERS

NEW CLUB PROFESSIONAL

The Management Committee has moved quickly in recruiting a new Professional following the unexpected departure of Stuart Steel.

In seeking to find a successor the Management Committee having considered a number of different Management Models decided to recruit a Professional dedicated to providing a full range of services to Tavistock Golf Club Members in the traditional manner.

The Management Committee also decided that the interview process would embrace a number of principles.

- It would be scrupulously fair for each applicant.
- We would seek to appoint from within the County if possible.
- A selection Committee would carry out the initial interviews.
- The full Management Committee would be involved at the final stage in the selection process.

The Club received four applications immediately following news of the vacancy being made known. All applicants were from within the County and the selection panel were pleased to be able to recommend a shortlist of the two most qualified candidates to the Management Committee, who made the final choice based on suitability for Tavistock.

Following this process I am pleased to be able to advise Members we have formally offered the post to Glenn Richards who has been pleased to accept.

As many of you will know Glenn comes to us after serving over 9 years at Wrangaton Golf Club where he has been a valued Professional, has run a well stocked shop, has an enviable record with his attention to the juniors section and is much sought after as a teaching Professional.

Glen has also had spells at Bovey Castle, Teignmouth and Churston and is therefore well established within the County.

We are delighted to extend to Glenn and his partner Sue a warm welcome.

Glenn will be continuing the employment of Simon Invest as an Assistant.

The new team will take up duties as from 28th February 2011. In the interim the shop will continue to be open on a limited basis and will of course be refitted and refurbished during the next few weeks prior to the formal opening.

Tony Ingram
Chairman
February 2011
